Quality Health Care

Home Health Care through Mennonite Memorial Home is available to provide skilled services on an intermittent basis to people of all ages that live within Bluffton and neighboring communities.

Home Health Care allows you to receive high quality

health care while remaining in the familiar comfort of your own home.

Additionally, Mennonite Memorial Home offers another home care service called Lend-A-Hand. **Lend-A-Hand** is an outreach program that allows you to continue living at home and remain independent by receiving help with small tasks such as light housekeeping, meal preparation and laundry.

For more information on Lend-A-Hand, please call 419-358-7803.

Why Should You Choose Home Health?

- Efficient, economical form of health care.
- Faster recovery in the comfort of your home.
- Skilled nurses direct and plan your nursing care with your doctor's guidance.
- Skilled nurses available for services such as vital signs, wound care, catheter changes, medication supervision, and more.
- Skilled nurses instruct you and your family on care needed between nursing visits.
- Home health aides available for personal care.
- Physical Therapy, Occupational Therapy and Speech Therapy available for rehabilitation and instruction to adapt to physical limitations.
